

DE LEEUW GROUP

QUANTITY SURVEYORS, PROPERTY VALUERS AND PROJECT MANAGERS

PRIVACY POLICY AND CONTACT DETAILS FOR INFORMATION OFFICERS

Effective Date: 1 August 2026

Last Updated: 1 August 2026

1. Introduction

The De Leeuw Group ("De Leeuw", "we", "our" or "us") respects your privacy and is committed to protecting your personal information in accordance with any Legislation applicable to our areas of operation and especially related to the South African Protection of Personal Information Act, 4 of 2013 ("POPIA").

This Privacy Policy explains how personal information may be processed when you visit <https://deleeuw.co.za> ("the Website").

This Privacy Policy applies only to the Website and does not govern the collection or processing of personal information by individual De Leeuw offices or through services provided outside the Website.

2. Information We Collect

Visitors are able to browse the Website without creating an account, registering, completing online forms or subscribing to newsletters.

The Website does not intentionally collect personal information directly from visitors.

Certain technical information may, however, be collected automatically by the Website and its hosting environment when you visit. This information may include:

- IP address;
- browser type and version;
- operating system;
- device information;
- pages visited;
- date and time of access;
- referring website addresses; and
- other technical information necessary for the operation, security and performance of the Website.

This information does not ordinarily identify you personally and is used only for legitimate operational purposes.

3. Cookies

The Website uses cookies and similar technologies to enhance functionality, ensure security and gain insight into Website use.

Cookies are small files stored on your device through the web browser.

Most web browsers enable users to manage or block the use of cookies through browser settings. Blocking certain cookies may impact the performance of specific sections of the Website.

4. How Information is Used

Any technical information collected through the Website may be used to:

- operate and maintain the Website;
- improve website performance and functionality;
- analyse website usage;
- ensure maintain security;
- troubleshoot technical issues; and

- comply with applicable legal requirements.

De Leeuw does not sell or rent personal information collected through the Website.

5. Sharing Information

Information may be shared only where necessary with trusted service providers who assist in hosting, maintaining or securing the Website.

Information may also be shared where legally required or where necessary for the protection of the rights, property and safety of De Leeuw, its employees, clients or the public.

6. Third-Party Services

The Website may include hyperlinks to external websites or utilise third-party services such as mapping services, embedded content and website analysis services.

Third-party services operate in accordance with their own privacy policies. De Leeuw is not responsible for the privacy practices or content of third-party websites.

Visitors are encouraged to review the privacy policies of any third-party websites they visit.

7. Information Security

De Leeuw takes reasonable technical and organisational measures to protect information processed through the Website against unauthorised access, loss, misuse or disclosure.

While every reasonable effort is made to protect information, no method of transmitting information over the internet or storing electronic information can be guaranteed to be completely secure.

8. Your Rights

Where POPIA applies, you may have the right to:

- request access to your personal information;

- request correction of inaccurate personal information;
- request deletion of personal information where appropriate;
- object to certain processing activities where permitted by law; and
- lodge a complaint with the Information Regulator of South Africa.

Requests relating to personal information should be directed to the Information Officer using the contact details below.

9. Changes to this Privacy Policy

This Privacy Policy may be updated from time to time to reflect changes in legislation, technology or the operation of the Website.

The latest version will always be published on this Website and will become effective upon publication.
